Subject: To fulfill the requirements of admission for the session 1993-94 only - regarding

Sir,

With reference to your letter No.1392/1472/C/21/911/17 dated 15.6.92, I am to state that the visitation of the Backward Class Youth Relief Committee's Ayurved Mahavidyalaya, Nagpur was carried out by the Central Council to assess the educational standards and available facilities of teaching and practical training. The following shortcomings have been pointed out by the visitor:

1. The college is not following student/teacher ratio 1:1 at the time of admission of students. The number of seats has increased accordingly in the hospital attached to the college.

2. There are only 17 teachers who have not been designated as Professor, Reader, Lecturer, etc., except one.

Efforts should be made to establish the departments and recruit the same teachers: one in Ayurved, one in Modern, one in General, and one in Laboratory.

3. UGC Scale be given to the teachers.

4. Laboratory charts, models, equipment, and facilities in the laboratory are very less.

5. Herbal Garden has not been established so far separately. Collection of dry drugs in the Department of Dravyaguna also needs improvement.

6. Pharmacy has been established 13 km. away from the college under the name of Sanjivani Ayurved Mahavidyalaya. This pharmacy will be useful for the purpose of practical training. The department of Ras Shastra should be developed for this purpose.

7. Library Rs.10,000/- (ten thousand) should be incurred to purchase of books for the library during current year and 10 journals should be subscribed regularly.

You are requested to kindly instruct the authorities of the college to remove all the above mentioned shortcomings within one year and submit the compliance report to the Central Council for further permission to continue the college conducting Ayurved Mahavidyalaya Course.

With this condition the Backward Class Youth Relief Committee's Ayurved Mahavidyalaya, Nagpur is granted permission, for conducting Ayurved Mahavidyalaya Course for one year i.e. 1993-94.

Yours faithfully

Secretary P.T.C.
